SALT SALE DELIVERY is tomorrow Thursday Sept 22 beginning at 3:30pm....until we are done.

We need adult drivers to help the athletes of Football and Boys basketball deliver the salt they sold. The more help, the quicker we get done.

We will be set up across from the Central Park in Lester. Please stop up whenever it fits in your schedule.

Food note: Junior High players when you are done there will be food for you to enjoy. 9-12 Varsity players the Carb Feed will be down at the park, to grab something to eat before you start delivering salt. Reminder:

Students are not allowed to drive to deliver salt.

Thanks!

7th-12th Graders if you are not planning on using your lock for your hallway locker, please turn your lock into Mrs. Mattson by Friday, September 23rd. Thank you!

Students in grades 7-12 that are interested in a volunteer opportunity: There is a local vineyard owned by a retired LP teacher that is looking for volunteers to help harvest grapes on Saturday, September 24th @ 8:30 am at 11559 Grunwald Ave SW Howard Lake. Please let Mrs. Mattson know if you are interested in helping out.

- Are you in grades 9 - 12?
- Do you need ca\$h?
- Can you write 500 words?

Consider the Lions Club "Write Off"!
The topic is "Together We Can."

Lions President Brian Sheehan in his message to all Lions "Together we can make our homes, our communities and our world a better place." We can do so much good on our own but "Together We Can" do so much more.

Writers can demonstrate how serving with others allowed them to think bigger or advocate for local causes. In this essay, write about who you are, how you answer those needs, and actions you take with providing service.

The top three places will receive a cash prize, and first place has the potential to earn more if your essay advances!
